To the Secretary to Govt.L.A.Department
Fort St.George, Madras,
Thro' the Chairman, Municipal Council, Mangalore.

Sir,

Sub: Tenders- Tenders for repairs and supply of spare parts to P.H. lorry MDX.929- waiving of- requested.
.....

The Municipal Council in Resolution No. 638 dated 29.7.50 sanctioned a sum of Rs.300/- for the execution of half-yearly repair to P.H.lorry MDX.929. The said lorry was sent to the Central Engineering Works, Mangalore for repairs. This is one of the workshops approved by the council for repairing municipal lorries. The Central Engineering Works in their letter dated 21.8.1950 informed that the cost of repairs alone would be Rs.415/-. The cost of spare parts required were not known till the engine was opened. The estimated cost of spare parts and repairing charges will exceed the tender limits of Rs.500/-. It is not possible to call for tenders in respect of the above work for the reason given below. When once a particular lorry is sent to a particular company for furnishing its quotation for repairing the lorry after due examination other companies do not give tenders as it is not possible for other companies to examine a lorry in another workshop. It is also not possible to give tenders both for repairs and cost of spare parts unless the actual work is taken up as spare parts required could be made out only when the engine is opened.

The Council in C.R.961 dated 28.10.50 have sanctioned the expenditure and have resolved to address the Govt. to waive tenders in this case.

It is therefore requested that the Govt. may be pleased to waive tenders in this case.

(Sd) M.Sanjiva Talwar,
Commissioner, M.M.

Commissioner, M.M.

Chairman, M.C.

NOTE TO THE COUNDIL.

The Council in Resolution No.638 dated 29.7.50 sanctioned a sum of Rs.300/- for the execution of half yearly repairs to P.H.lorry MDX.929. The said lorry was sent to the Central Engineering Works for repairs. The Central Engineering Works, in their letter dated 21.8.50 write that the cost of repairs alone would be Rs.415-0-0. The cost of spare parts would be extra and the spare parts required are not known now. So the estimated cost of spare parts and repairking charge will exceed the tender limit viz.Rs.500/-. It is not possible to call for tenders. When once a lorry is entrusted to a particular company, other companies do not give tenders. It is also not possible to give tender unless the actual work is taken up as spare parts required could not be made out only then. Under the circumstances it is requested that the Council may be pleased to resolve to entrust the work to the Central Engineering Works, Mangalore and also resolve to address Govt to waive tender not only in this case but in all such cases in future.
